

## Slimline, cost-efficient multitasking

# Lean, green multifunctional power

The slimline MP 171LN offers a lighter, more affordable approach to general office multitasking. More powerful than it looks, this durable A4 multifunctional is designed to boost your productivity. It provides a wide range of functions at a pleasingly low total cost of ownership. Your workgroups will benefit from its rapid output and paper-saving, double-sided printing. The compact MP 171LN also consumes very little power and has minimal impact on the environment. Get the slimmer, greener office solution you want with this ultra-efficient MFP.

- Fast 17 ppm A4 output.
- All-in-one multitasking: copy, print and network scan.
- Reliable, eco-friendly technology saves energy and costs.
- Low Total Cost of Ownership.
- Remote monitoring and network connectivity.

## Flexible multitasking for all

### IMPROVE PRODUCTIVITY

The MP 171LN makes efficient multitasking available to everyone. Boost your productivity with a short warm-up, first output of 7.5 seconds or less, and fast 17 ppm output. Get high performance you can rely on with this sturdy MFP. Its robust long-lasting parts ensure maximum uptime.

### SAVE VALUABLE OFFICE SPACE

Office space is a major cost, so the MP 171LN's small footprint is a bonus. Our advanced technology packs powerful copying, printing, and network scanning into a slim design. It fits neatly into convenient locations, putting all-in-one functionality exactly where it's needed. Give your workgroups the resources they want in a space-saving, cost-efficient package with the MP 171LN.

### THINK LIGHTER, THINK GREENER

The slim MP 171LN's lighter approach to energy usage is good news for the environment. Double-sided printing with the standard duplex unit saves paper and power without loss of productivity. And our unique low energy toner production method helps reduce your carbon footprint. So you use less energy to run this ultra-efficient MFP, which is kinder to the environment (and to your bottom line too).

### REDUCE COSTS

Lower the overall Total Cost of Ownership by having a single, shared multifunctional device. Making the MP 171LN's energy-efficient technology centrally available saves money and makes good business sense. You can save energy and consumables by eliminating unnecessary standalone machines.

### CREATE PROFESSIONAL-LOOKING DOCUMENTS

Get your business noticed. Create crisp, professional-looking documents – cost efficiently, in-house. The MP 171LN offers colour scanning and can handle many different types of media. So you can capture virtually any kind of image and insert it into a variety of reports, newsletters and mailings. Then you can print your enhanced documents on the paper size and weight of your choice.

### ENERGY STAR COMPLIANCE

Feel confident that you are using an energy efficient device. Like virtually all of our products, the MP 171LN is Energy Star compliant. It complies with the industry standard for energy efficiency. So you can feel good knowing that less CO<sub>2</sub> is produced in providing the energy needed to run it.

### BENEFIT FROM NETWORK CONNECTIVITY

Enjoy the freedom of improved communications. The MP 171LN connects seamlessly to your network via its standard Network Interface Card. Scan in colour and send images anywhere on your network. Collect and transmit meter readings automatically via @Remote.

### ENJOY EASE OF USE

Everyone will find the MP 171LN very user friendly. All the MFP functions are easily accessible via a clear, 4-line control panel display. The internal printer controller is the link that connects the MP 171LN to your PC. It conveniently takes care of processing your documents. This ensures it takes less time, less cost and less trouble to complete your in-house printing tasks. And to save you more valuable time, we have provided easy front access for all regular maintenance.

## COPIER

Copying process:	Laser beam scanning and electro-photographic printing
Copy speed:	17 copies per minute
Resolution:	600 dpi
Multiple copy:	Up to 99
Warm-up time:	Less than 10 seconds
First output speed:	Less than 7.5 seconds
Zoom:	50 - 200% (in 1% steps)
Memory:	Standard: 64 MB
Paper input capacity:	Standard: 1 x 250-sheet paper tray(s) 100-sheet bypass tray Maximum: 1,350 sheets
Paper output capacity:	Standard: 250 sheets (internal tray) sheets
Paper size:	Standard tray: A5 - A4 Bypass tray: A6 <sup>1</sup> - A4 Duplex tray: A4
Paper weight:	Standard tray: 60 - 90 g/m <sup>2</sup> Bypass tray: 60 - 157 g/m <sup>2</sup> Duplex tray: 64 - 90 g/m <sup>2</sup>
Dimensions (W x D x H):	485 x 450 x 371 mm
Weight:	Less than 24 kg
Power source:	220 - 240 V, 50 - 60 Hz
Power consumption:	Operation: Less than 900 W Energy saver mode: Less than 35 W

## PRINTER

Print speed:	17 prints per minute
Printer language/resolution:	GDI: 600 x 600 dpi
Interface:	USB2.0, Ethernet 10Base-T/100Base-Tx
Memory:	64 MB
Supported environments:	Windows® 2000/XP/Server 2003/Vista/ Server 2008/Windows7

## SCANNER

Scan speed:	Black and white: 14 ipm Full colour: 6 ipm
Resolution:	Standard: 100 - 300 dpi Default: 200 dpi
Original size:	A5 - A4
Bundled drivers:	Network TWAIN

## CONSUMABLES

Toner:	Black: 7,000 sheets
--------	---------------------

## OPTIONS

Platen cover  
50-sheet Auto Reverse Document Feeder  
1 x 500-sheet paper tray

<sup>1</sup> Manual input.
